Children's Surgical Centre and Vanda Promotions

Dear Ian,

On behalf of the Children's Surgical Centre, I would like to extend my heartfelt thanks and appreciation to Vanda Promotions for the generous donation of US\$110,000. Your ongoing support has proven vital to the continuation of CSC's services, including the provision of free rehabilitative surgery for disabled and disadvantaged Cambodian children.

Thanks to your most recent donation we have been able to provide life changing surgery for more than 640 patients in need. The surgery offered at CSC varies from maxillofacial reconstruction, orthopaedic surgery, eye surgery, and plastic and burn surgery. Whether treatment involves a cleft lip repair, scoliosis correction or hip replacement, all patients coming to CSC have one thing in common – they cannot afford to seek treatment elsewhere.

Following treatment at CSC, patients are able to experience an improved quality of life. In 2009 alone CSC's Khmer doctors performed 11,271 consultations and 4,266 operations. Without the ongoing support of Vanda Promotions we would not be able to provide such an extensive range of rehabilitative treatments to the people of Cambodia.

Yours sincerely,

Dr. Jim Golligly OBE, MB, FACS,
Founder & CEO
Children's Surgical Centre
